

Remarks

The Amendment amends the specification. The Amendment amends claims 1, 2 and 4-43, and cancels claims 44 and 45 without prejudice. The Amendment adds claims 46-58. Claims 1-43 and 46-58 are pending in the Application.

The Amendment is intended to eliminate all multiply dependent claims. If the Amendment fails to eliminate all multiply dependent claims, the undersigned authorizes the Examiner to amend each such multiply dependent claim to depend from the base claim, or intervening claim closest to the base claim, from which the multiply dependent claim depends.

Applicant respectfully submits that this Application is in condition for allowance. If such is not the case, Applicant invites the Examiner to contact the undersigned to resolve remaining issues.

No statutorily-prescribed time limit applies for filing this paper, thus no fees are owing. If filing this paper or any accompanying papers necessitates additional fees not otherwise provided for, the undersigned authorizes the Commissioner to deduct such additional fees from Deposit Account No. 19-2110.
